

# Tbilisi Children and Youth International Theatre Festival

1-6/06/2022

1-6 June, 2022, Tbilisi Children and Youth International Theatre Festival, program include indoor and outdoor performances for Children, by Children for different age group audience. Special program will be offered for refugee children from Ukraine, round tables dedicated to the problems of Theatre and Youth/Children as well new initiative of Euro-Asian cultural hub – Silk Road culture – focus on children Theatre festivals, Children book Fair etc. There will be International Jury from Switzerland, Iran, Georgia, representatives from ASSITEJ.

Euro-Asian Cultural Hub /as part of Silk Roads initiatives development/, in the frame of Tbilisi Children and Youth Theatre International Festival organized first meeting of children theatre festivals for further creation of platform, which could focused on artistic exchange, co-productions, methodology, playwriting and long term program “theater in schools” and for diverse school programs. In coming years We would like to organized international conference to discussed theoretical and methodological issues with academics and practitioners.

People who are interested to attend our Festival and program are welcome to write us, we still have few places to host in Georgia / we have limited places to provide accommodation /during 3 nights/, meals and free access to all program/. If you miss free place we could help you to find discount prices for hotel, but still provide free access to all program.

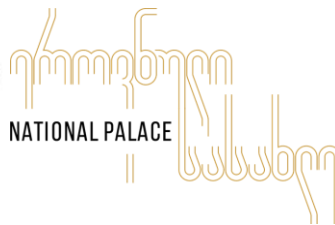

Festival is organized by Arts Research Institute of Georgia and Youth National Palace, in partnership with ITI Georgian Centre, HDACIS and Georgian Youth State Theatre, supporting by Tbilisi Municipality and under the patronage of UNESCO ITI Educational network.

People who are interested to take part as observers/guests/participants of round tables are welcome to write to the Georgian ITI National Centre as soon as possible – Levan Khetaguri
